Dear Pontus,

Re: Ongoing Business Relationship with your company ("Company") and MacNeill Engineering Europe Limited ("Supplier").

We write further to the above and our E-Mail communication in respect of the same. As you know we are looking at how we plan for the future and appreciate all of your support to us in the past.

It is important to us to know that we have a mutually beneficial relationship and we hope that you are and will continue to remain pleased with the service, support and product that we supply to you. We have agreed in our discussions that in addition to our normal terms of business you, the Company and its associated companies, have agreed to only acquire Champ Cleats and Spikes (and any equivalent cleats and spikes made for or on behalf of Champ) from us as the Supplier exclusively and that such exclusivity shall apply from the date of this letter and for a period of 36 months, whereupon it will expire unless we have both agreed to extend it further. In consideration of you, the Company, agreeing to these terms and returning this letter with your agreement to us within seven days of the date of this letter, we will give to you a Credit of 2. 1/2% off your last invoice issued to you. We look forward to your ongoing support and thank you for your business to-date.

If you agree to the terms of this letter please sign in the space provided below and either pdf e-mail back to my e-mail address below or fax for my attention to the facsimile number +44 116 269 6010.

Your sincerely

Julie Wells
